Purpose of Use:

Do you meet these requirements?

- ☐ Loading dock or safe loading/unloading zone
- ☐ Electrical outlet in close proximity to unit
- ☐ Safe, clean environment
- ☐ Be able to provide proof of insurance and name the City of El Paso, TX as an additionally insured
- ☐ An electronic security system in place. An intrusion alarm to protect the facility at night and a CCTV monitoring system are preferred. If there is no security in the area where the unit will be installed, the facility must provide a secure room where Mini Digie may be stored at night.
- ☐ Physical security in the form of a Security Guard stationed next to Mini Digie when it is in use. If Mini Digie is located at a school, a teacher or appropriate staff member should be present at all times during student and adult interactions with the unit.
- ☐ The training of two people in the operations, turning on and off screen and general care of Mini Digie.
- ☐ The ability to track the number of people who use Mini Digie.
